TESTIMONIALS

I am amazed at the response I'm getting from the ad I'm running in the Lake County Shopping Guide. My ad was only 6 weeks out on the stands and so far I've received 10-15 calls without any special discount offers. **This is working better than my phone book ad!** This advertising is reasonable. . .it works for me.
Chris Jordan, Owner/Operator SUPERIOR GARAGE DOOR • 707 995-5005

We started advertising in the LCSG Jan.'16. Our first ad was with a 5% off coupon. I wanted to see how successful this type of ad would be in a 3 mo. publication. We've had **great response.** Maria set our ad up & made any changes I requested with no problems at all. I will continue to advertise in the future.

		6		5		4		
	1							2
		8		3		1		
	8	5				7		2
					6			
	4		2	8				1

To solve a Sudoku puzzle, place a number into each box so that each row across, each column down, and each small square within the larger diagram (there are 9 of these) will contain every number from 1 through 9.

Sudoku puzzle HARD

	8		9		5			
				1

	7			8			9	
	3	1	5	9				2
1	6	2						
				5				
			1		2		6	

In other words, no number will appear more than once in any row, column, or smaller square. Working with the numbers already given as a guide, complete each diagram with the missing numbers that will lead to the correct solution. Find the answers on page 8
