				8			4	
8			3		1			9
		6		9				
				5		7	2	4
		4			9		6	
	2					1		

To solve a Sudoku puzzle, place a number into each box so that each row across, each column down, and each small square within the larger diagram (there are 9 of these) will contain every number from 1 through 9.

In other words, no number will appear more than once in any row, column, or smaller square. Working with the numbers already given as a guide, complete each diagram with the missing numbers that will lead to the correct solution. Find the answers on page 8

The History of Memorial Day

The real meaning of the holiday is meant to honor all U.S. soldiers who have died serving their country.

Originally called Decoration Day, Memorial Day's history goes back to the Civil War. It was declared a National Holiday by Congress in 1971, according to the U.S. Department of Veterans' Affairs.

One More Testimonial!

I started advertising in the North Bay Shopping Guide January 2016. Our first ad was with a 5% off coupon. I wanted to see how successful this type of ad would be in a quarterly publication. We've had *GREAT* response. Maria designed our ad & made any changes I requested. I will continue to advertise in the future.

Todd Anderson, Manager.
AGRO LAKE GARDEN SUPPLY
 Lower Lake • 707 994-1788

Testimonial

I am amazed at the response I've been getting from the ads in the North Bay Shopping Guide. I received 10-15 calls without any special discount offers the first 6 weeks the paper was out. I've gotten at least 12 jobs from the last ad I ran. This paper works for me. *Very affordable rates.*
