TESTIMONIAL

I have been in sales since 1980.
 I've been using the NORTH BAY SHOPPING GUIDE for about 5 years now. I have acquired many customers & some longtime friends through my advertising in the Shopping Guide.

I appreciate the wonderful color & ad design Maria does at no extra charge. I'm very pleased & encourage any business to be included in one of her next issues. I give this publication an excellent rating! For any small business the rates are very affordable, this is something we all need!

To solve a Sudoku puzzle, place a number into each box so that each row across, each column down, and each small square within the larger diagram (there are 9 of these) will contain every number from 1 through 9.

In other words, no number will appear more than once in any row, column, or smaller square. Working with the numbers already given as a guide, complete each diagram with the missing numbers that will lead to the correct solution. Find the answers on page 8

She Worships Ministries Presents: A Different Kind of Beauty a modern-day P31 woman

Our Theme Verse

Many daughters have done virtuously, but thou excellest them all.
Favour is deceitful, and beauty is vain; but a woman that feareth the
Lord, she shall be praised. Give her of the fruit of her hands; and let
her own works praise her in the gates. **Proverbs 31: 29-31**

The Power of A Testimony
Debra D. Barbee

Dust to Bloom, Moving From A Dry Season
To A Flourishing Life

We all have a story (s) to share that
will help someone else recognize
they too can walk in freedom and
healing.

Sometimes it is hard to verbalize our
stories or even to put them on paper.
Through the teachings of the power
of a testimony and from dust to
bloom, we will have a great time in
fellowship learning ways to
document our own testimony. (story).
This is a free seminar and all are
welcome. Bring a sack lunch. A love
offering will be taken to help support
the ministry.

Attached is the registration form. We
ask that you register so we will have
the right amount available for
anything we may purchase for the
seminar.

Testimonial

I am amazed at the response I've been getting from the ads in the North Bay Shopping Guide. I received 10-15 calls without any special discount offers the first 6 weeks the paper was out. I've gotten at least 12 jobs from the last ad I ran. This paper works for me. *Very affordable rates.*
